

Expert Pro LED Lantern

New

Featuring a strong spot light with a halo flood, the Energizer® Expert Lantern projects up to 250 meters, making it an ideal light for a wide range of industrial applications. The head pivots 140° and allows users to direct the light precisely where needed. It is easy to use, with a push button switch on the handle and a detachable carrying strap. Also, the Expert Lantern produces hours and hours of light (with an Energizer® alkaline 6V battery).
