

Hard Case Pro Work Light

New

The Energizer HARDCASE® PROFESSIONAL® Work light delivers the rugged lighting performance demanded by Professional and Do-It-Yourself enthusiasts. Specialized materials, including rugged over-molding and an advanced, toughened polymer, enable the Work Light to withstand drop after drop. High-power LED technology and advanced optics create bright, uniform light that is ideal for a wide array of projects. The Work Light delivers hands-free functionality in three ways: a retractable top hook, powerful side magnets, and a wide base for standing.

Features

- Rugged polymer and durable over-mold maximize shock absorption
- Hands free functionality thanks to: Retractable rotating hook, Magnets, Wide base
- Dual mode push button switch (high/low)
- Bright LED lumen output
- Long lasting runtime
- Wide angle area light
- Features LED Technology
- Operates on 4 AA batteries
- Light modes : area high , area low

Specifications

	area high	area low
Lumens	550 Lumens	150 Lumens
Run Time	8 Hours	40 Hours
Beam distance	N/A	0
Weatherproof	IPX4	
Impact resistance	7 M
